Towards the Summit of the Future:

Leveraging Security Sector Governance as a Tool for Rebuilding Trust in the Social Contract

How can security sector governance be leveraged for advancing the New Agenda for Peace and the UN Common Agenda? To provide recommendations for the Summit for the Future, join us for an event to reflect on:

- How can a renewed thinking on the social contract help to advance the New Agenda for Peace and the UN Common Agenda?
- What role can security sector governance play in contributing to building trust and a renewed social contract in societies?
- What implications does this have for relevant discussions at the Summit of the Future?
