

Launch of the Gender and Security Toolkit in Spanish

Join us for the Launch of the Spanish version of the DCAF, OSCE-ODIHR and UN Women [Gender and Security Toolkit](#).

The **Gender and Security Toolkit**, newly available in Spanish, is an important resource to support Latin America and the Caribbean in achieving **gender equality** and the goals of the **Women, Peace and Security Agenda**.

This webinar offers an opportunity to **learn** about how the Toolkit can support your work, and to **engage** with an eminent panel, including Peru's Minister of Defence and experts from Honduras, Colombia, UN Women, DCAF, Norway, and the United Kingdom.

Join the conversation about how gender equality in the security and justice sector can be achieved, and can help to achieve safety, human rights, peace and sustainable development.

Languages: **Spanish and English with simultaneous interpretation in English, Spanish and Portuguese** | Duration: 1h30 | Format: Zoom panel
