

Overview of DCAF-UNOG Seminar 2003-2020

About the UNOG-DCAF Seminars

Starting in 2003, the United Nations Office at Geneva (UNOG) and the Geneva Centre for Security Sector Governance (DCAF) jointly host annual seminars on various aspects of security sector governance. These meetings have served to raise awareness of the complexities and challenges before the international community in this area and have produced practical proposals to inform and guide future efforts.
