Webinar series : “A new wave? Addressing the contemporary use of Private Military and Security Companies in armed conflict and complex environments” - Yemen

Thursday, June 16 2022

14h00 (Switzerland)/ 15h00(Yemen)

Since the 2000s, the services provided by some PMSCs have encompassed (near-) direct involvement in armed conflict, increasingly including PMSCs in the reflection on security arrangements in peace processes. This panel will discuss the challenges posed by PMSCs in the current peace process in Yemen, and how international norms and good practices can help to address them.
